Authentic

Our unique ground stone formulation gives you a truly authentic stone finish which looks and feels like natural stone.

Durable

For a finish that will not crack or peel our binders in stone coating create a rock hard finish that is breathable, and provides excellent protection against mold & mildew.

Lightweight

A lightweight alternative to natural and cast stone. Ideal for application onto walls, ceilings and doors.

Environmentally Friendly

The StoneLux range is environmentally friendly with Low-VOC, non-toxic, water-based acrylic meets all US environmental standards for interior and exterior use. No overspray during installation. Cleans up with soap and water.
